

SSYMCA & SSNSC Online Registration Getting Started Guide

Before you are able to complete the online registration process, you will be prompted to either log-in to or set up an online account. Existing YMCA & SSNSC members and program participants must activate online access to their YMCA or SSNSC account when registering online for the first time. Non-members can register for programs online by creating a new account. Follow the instructions below to set-up your online account. Once you're logged in, you can complete the registration process.
