SOUTH SHORE YMCA'S OPPORTUNITIES TO SUPPORT

The 38th Annual "Through the Garden Gate Garden Tour" is the South Shore Natural Science Center's signature fundraising event, focusing on helping children of all ages enjoy nature through gardening and empowering the public to see their backyards as living classrooms. Join us as we visit several of the loveliest gardens on the South Shore, hidden enclaves of beauty and wonder, where inspiration hides behind every flower, shade plant, fruit tree, vegetable garden and unique water feature.
